Allowed claims 1-16 and 19.

REASONS FOR ALLOWANCE/EXAMINER'S COMMENT

Reasons For Allowance

The following is an examiner's statement of reasons for allowance: none of the prior art either alone or in combination disclose or teach of the claimed combination of limitations to warrant a rejection under 35 USC 102 or 103. Specifically, in reference to independent claim 1, none of the prior art either alone or in combination disclose or teach the claimed mirror structure specifically including, as the distinguishing feature(s) in combination with the other limitations the claimed "self-deforming mirror having a substrate including at least one coolant channel having inlet and outlet ports located around the peripheral edge of the substrate, and a support structure for supporting said mirror around the periphery, said support structure having corresponding inlet and outlet ports fluidly connected to said substrate inlet and outlet ports".

Examiner's Comment

Taylor(5209291) and Ealey et al.(5094519) are being cited herein to show reference(s) that disclose some similar features to that of the claimed invention.

For applicant's information, the drawing(s) received 3/27/2007 have been approved by the examiner.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably
